Comments from the Public

COMMENTS/ISSUES FROM THE PUBLIC AND BUSINESS OWNERS

- Additional Trash
- More Traffic
- Drinking at the bar and having to smell it if outside on patio
- Causing more ruffraff
- Women working alone during the day, safety, with additional traffic
- No public transportation like the big city, ie Ubers, trains etc
- Afraid of losing business, parents coming in with kids, don't want to see, hear & smell what's being experienced
- Don't think Sterling is going to hurt us considering we're so close to the State Line
- More semi trucks parking in town
- Not wanting the smell
- Already have 3 dispensaries, don't need 3 more
- Would have to change ordinances again

- People getting caught with more than the State limit, could shut them all down
- Want the people of the town to vote, not the Board
- Lack of Law Enforcement
- **John Rotherham** – I appreciate all your opinions. As far as the smell I don't think that would be an issue. My goal was to increase income and maintain it. Sterling is trying to be like a Trinidad, who has 30 stores. I was just trying to maintain the tax revenue that we already have but I can guarantee within a year it'll be half again.

After public comments, Town Board Members collaborated and determined that this Issue should go to the vote of the People at our April 2026 Election of Board Members as a ballot selection and be tabled till the September 2025 Board Meeting.

Motion:

Roger Munson made a motion to take this Marijuana Hospitality Business issue to a vote of the People at the April 2026 Election. adjourn, Traci Sanchez seconded, all in favor; none opposed, motion carried.

Call to Adjourn
