- **Resolution 20-11 - Use remaining Covid Cares Act Funds to set up a Small Business Relief Grant program**
 - County commissioners are asking if all the Towns in Sedgwick County would use the remaining funds in the Cares Act Grants to pool them together. There is a deadline of Monday November 23rd to get this intent into the State. The funds are due to expire and would go back to the State if we don't spend it. Spending it on the Small Business Relief Grant would help support our community.
 - The Covid Task Force will be reviewing the grant applications, with commissioners having final decision.
