

ORDINANCE

No. 23

AN ORDINANCE, RELATING TO STREETS AND HIGHWAYS, PROVIDING FOR THE ESTABLISHING OF CURBS AND TREE LINES WITHIN CERTAIN PORTIONS OF THE TOWN OF SEDGWICK, AND PROVIDING PENALTIES FOR THE VIOLATION THEREOF.

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF SEDGWICK, COLORADO:

SECTION 1. That for the purpose of establishing a uniform curb line and tree line within certain portions of the Town of Sedgwick, there is hereby created and established within said Town, a district to be known as "SEDGWICK CURBING AND TREE PLANTING DISTRICT NO. 1," and shall comprise all of the platted portions of said Town, except the following described platted portion of said Town, to-wit: Commencing at the point of intersection of the North line of Rail Road Street and the East line of West Avenue, thence North along the East line of West Avenue to the point of intersection of the said East line of West Avenue and the South line of Third Street, extended, thence East along the South Line of Third Street, extended, and Third Street to the point of intersection of said South line of Third Street and the West Line of East Avenue, thence South along the West line of East Avenue to the point of intersection of said West line of East Avenue and the North line of Rail Road Street, thence Southwesterly along the said North line of Rail Road Street to the point of beginning.

SECTION 2, That all curbs hereafter constructed within said Curb and Tree Planting District No. 1 shall be constructed of concrete of a thickness of five inches and of a depth of not less than sixteen inches, and in accordance with the provisions of this ordinance.

That all trees hereafter planted upon the streets and avenues of said Town within said District shall be planted and set upon the lines herein established.

SECTION 3. That the grade of all curbs hereafter constructed within said District shall conform to the grade established by ordinance for sidewalks adjacent to said curbs.

The elevation of said curbs at every point on the surface thereof shall be such that a line projected from any such point at right angles with the curb line herein established to the grade line adjacent thereto established by ordinance for sidewalks shall incline One Half inch for each four feet of such projected line, to afford drainage for the sidewalk.

SECTION 4. That at all alley and street intersections with said curb line, curbs shall be constructed on uniform curves to be specified by order of the Board of Trustees.

To insure uniformity in such curves the Board of Trustees shall furnish at its expense concrete forms for the use of any person desiring to construct a curb at any such intersections.

SECTION 5. That the curb line, within said District, on all streets and avenues having a width of Sixty (60) Feet, shall extend upon and along said streets and avenues, having a width of Sixty (60) Feet, parallel to the property or lot line abutting said streets and avenues a uniform distance of Twelve (12) Feet from said abutting property or lot line.

That all trees hereafter planted and set out within said District, upon any street or avenue having a width of Sixty (60) Feet, shall be set in a line parallel to the property or lot line abutting said streets or avenues at a uniform distance of Eight (8) Feet from said property or lot line.

That the curb line, within said District, on all streets and avenues having a width of Seventy (70) Feet, shall extend upon and along said streets and avenues, having a width of Seventy (70) Feet, parallel to the property or lot line abutting said streets and avenues at a uniform distance of Fifteen (15) Feet from said abutting property or lot line.

That all trees hereafter planted and set out within said District, upon any street or avenue having a width of Seventy (70) Feet, shall be set in a line parallel to the property or lot line abutting said streets or avenues at a uniform distance of Nine (9) Feet from said property or lot line.

That the curb line, within said District, on Main Avenue, shall extend upon and along said Main Avenue parallel to the property or lot line abutting said Main Avenue at a uniform distance of Sixteen (16) Feet from said abutting property or lot line.

That all trees hereafter planted and set out within said District, upon Main Avenue, shall be set in a line parallel to the property or lot line abutting said Main Avenue at a uniform distance of Eleven (11) Feet from said property or lot line.

SECTION 6. That all that part of the streets and avenues of said Town lying between said curb line and the abutting property or lot line, except so much thereof as is necessary for the construction of sidewalks as by ordinance provided, be and the same is hereby set apart for the purpose of parking, and the abutting owners of property are hereby permitted to use the same for such purpose.

SECTION 7. That it shall be unlawful for any person or persons to ride or drive any horse or animal, or to use or drive any vehicle over, upon or across any portion of such streets and avenues so parked in accordance with and under the provisions of this ordinance, or in any manner wilfully or maliciously trespassing thereon and injuring the same.

SECTION 8. Any person or persons violating any of the provisions of this ordinance shall upon conviction thereof be fined not less than Five Dollars nor more than Fifty Dollars for each and every offense.

SECTION 9. This ordinance shall be known as Ordinance No. 23 and shall be in full force and effect from and after its passage, approval and publication according to law.
